GAMING CHAIRS
AVAILABLE IN 4 COLORS

WHAT'S YOUR STYLE?

We all have different preferences and we want to offer you exactly what you want. This is why we have 4 color variations within this model, to really suit your needs.

BUILT TO LAST

Our gaming chairs are built with quality and durability in mind. Considering those principles, we equipped our chairs with a solid metal frame and a sturdy and reliable class 4 gas lift.

SIT BACK, RELAX AND ENJOY!

Pull the lever located on the side, tilt back and relax! The backrest allows a positioning adjustment up to 180 degrees. Enjoy a live stream, a movie or simply take a nap after a long gaming session!

ADJUSTABLE ARM RESTS

Ergonomics is one of our major concerns. We made the arm rests easily height adjustable, to suit everyone's bodily structure.

REMOVABLE CUSHIONS

All our gaming chairs come with two included cushions: a head cushion and a lumbar cushion. If you want a more straight and upright sitting position, remove the cushions. If you want to be more relaxed and comfy, install the cushions. It's as simple as that.
