**GAMING CHAIRS**  
AVAILABLE IN 6 COLORS

## WHAT'S YOUR STYLE?

We all have different preferences and we want to offer you exactly what you want. This is why we have 6 variations within this model, to really suit your needs.

With 2 special editions: a Black Carbon SE in which we applied some styled fabric patches on selected areas for that special look and feel; and a White / Pink SE with that extra girl power.

## BUILT TO LAST

Our gaming chairs are built with quality and durability in mind. Considering those principles, we equipped our chairs with a solid metal frame and a sturdy and reliable class 4 gas lift.

## SIT BACK, RELAX AND ENJOY!

Pull the lever located on the side, tilt back and relax! The backrest allows a positioning adjustment up to 180 degrees. Enjoy a live stream, a movie or simply take a nap after a long gaming session!

### ADJUSTABLE ARM RESTS

Ergonomics is one of our major concerns. We made the arm rests easily height adjustable, to suit everyone's bodily structure.

### REMOVABLE CUSHIONS

All our gaming chairs come with two included cushions: a head cushion and a lumbar cushion. If you want a more straight and upright sitting position, remove the cushions. If you want to be more relaxed and comfy, install the cushions. It's as simple as that.
