FULL SURFACE MOUSEPAD

We have included a full surface mousepad (140x64cm) with stitched edges. This will transform the whole table top into a functioning surface for your mouse as well as provide a very comfortable experience.

WIDE FORMAT

We don't want you to compromise anything while laying out your setup. Alpha Gamer Kira has a 140cm wide table top that allows you to have a big setup with lots and lots of peripherals and accessories.

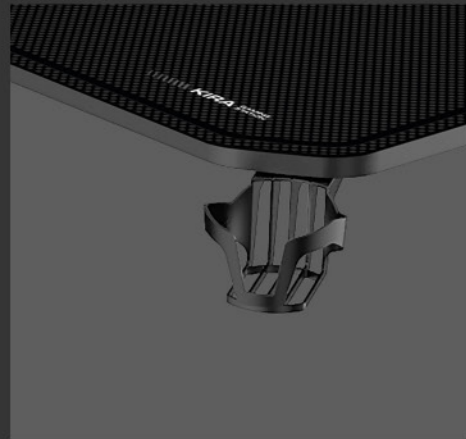

CABLE MANAGEMENT

Route your cables, keep your desk organized and with a great look. Alpha Gamer Kira has two routing holes with rotative lids. Simply open the lids and pass the cables through.

HEADSET HANGER

Know where your headset is at all times.

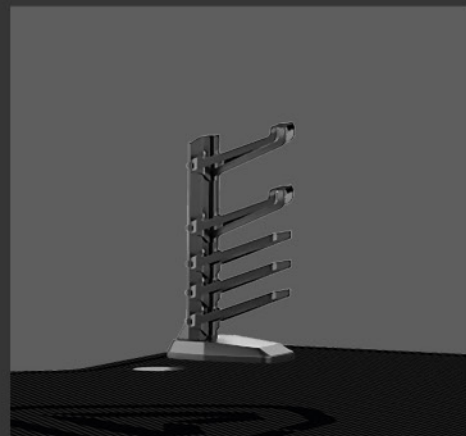

CUP HOLDER

A safe place to keep your favourite beverage.

SOCKET BOX

A dedicated electrical compartment.

GAMING RACK

For your games and gamepads.
